Dear Campers and Parents:

It is with great enthusiasm that I welcome you to the JF Camps Instructional Non-Contact Offense/Defense Football Camps.

During the past 13 years as President of JF Camps, I have been busy teaching children the fundamentals of football through individual and group work. As a father of a young boy and twins, I understand the importance of nurturing and developing. The work ethic, teaching and skill development that we used for our past campers will continue to be utilized this year.

As I begin my 14th year of organizing football camps, the joy and excitement of camp is upon us. The formula for success is that we provide **individual attention, repetition, and team play**. Your child is not a number. We afford your child the opportunity to improve by week's end.

Jerry Flora
 President/Camp Director
